

axon development	axon guidance	cell projection morphogenesis	generation of neurons	regulation of cell projection organization		
				regulation of neuron projection development		
neuron development	neuron projection guidance	neuron projection morphogenesis	plasma membrane bounded cell projection morphogenesis	regulation of plasma membrane bounded cell projection organization		
				regulation of neuron projection development		
neuron differentiation	cell morphogenesis involved in neuron differentiation		nervous system development	plasma membrane bounded cell projection organization	cell projection organization	
neuron projection development	cell morphogenesis		telencephalon development	regulation of axonogenesis	dendritic spine organization	
	axonogenesis		brain development			
modulation of chemical synaptic transmission		regulation of trans-synaptic signaling		regulation of extent of cell growth		
				developmental cell growth
