

axon development		axon guidance		axonogenesis		plasma membrane bounded cell projection organization		cell projection organization	
cell morphogenesis involved in neuron differentiation	neuron projection morphogenesis		plasma membrane bounded cell projection morphogenesis		regulation of axonogenesis		regulation of neuron projection development		
	neuron development		neuron differentiation	generation of neurons	plasma membrane bounded cell projection organization		regulation of plasma membrane bounded cell projection organization		
cell projection morphogenesis									
neuron projection guidance	neuron projection development		neurogenesis	nervous system development	regulation of cell junction assembly		regulation of cellular component organization		
	cell morphogenesis				regulation of nervous system development				
axon extension		neuron projection extension involved in neuron projection guidance		developmental in morphogenesis		regulation of cell growth		cell adhesion
