

dendrite development	cell projection morphogenesis	generation of neurons	nervous system development	dendritic spine organization	neuron projection organization
neurogenesis	neuron projection morphogenesis	plasma membrane bounded cell projection morphogenesis	cell morphogenesis involved in neuron differentiation	regulation of cell projection organization	regulation of neuron projection
neuron development	central nervous system development	axon development	brain development	regulation of plasma membrane bounded cell projection organization	plasma membrane bounded cell projection organization
neuron projection development	regulation of nervous system development	cell morphogenesis		cell projection organization	
modulation of chemical synaptic transmission	anterograde trans-synaptic signaling	synaptic signaling		postsynapse organization	
regulation of trans-synaptic signaling	chemical synaptic transmission	trans-synaptic signaling		synapse organization
