

cell morphogenesis involved in neuron differentiation	cell projection morphogenesis	neuron projection morphogenesis	regulation of cell junction assembly	regulation of synapse assembly
plasma membrane bounded cell projection morphogenesis	cell morphogenesis	neuron projection development	synapse assembly	cell junction assembly
cell projection morphogenesis		synapse assembly		
neuron development	neuron projection guidance	axon guidance	synapse organization	regulation of cellular component biogenesis
nervous system development	neuron differentiation	generation of neurons	presynapse assembly	presynapse organization
axonogenesis	regulation of axonogenesis	regulation of plasma membrane bounded cell projection organization	regulation of neuron projection development	synaptic membrane
axon development	regulation of cell projection organization	positive regulation of axonogenesis	plasma membrane bounded cell projection organization	cell-cell adhesion via plasma-membrane adhesion molecules
