

cell morphogenesis involved in neuron differentiation		cell projection morphogenesis		neuron projection morphogenesis		synapse organization		synapse assembly	
plasma membrane bounded cell projection morphogenesis		nervous system development		axon development		plasma membrane bounded cell projection organization		cell projection organization	
plasma membrane bounded cell projection morphogenesis		neuron development		cell projection morphogenesis		regulation of nervous system development		synapse organization	
		regulation of neuron development		regulation of cell projection organization		regulation of synapse organization		regulation of cell projection organization	
neurogenesis		neuron projection development		brain development		neuron differentiation		regulation of plasma membrane bounded cell projection organization	
regulation of axonogenesis		generation of neurons		positive regulation of nervous system development		positive regulation of axonogenesis		regulation of synapse assembly	
regulation of synapse		regulation of synapse organization		regulation of synapse structure or activity		regulation of synapse structure or activity		regulation of synapse structure or activity
