

axon development	neuron development		cell projection morphogenesis	neuron projection morphogenesis	
neuron projection development	nervous system development		plasma membrane bounded cell projection morphogenesis	cell morphogenesis	
	axon development			cell projection morphogenesis	
axonogenesis	neuron differentiation		cell morphogenesis involved in neuron differentiation	neuron projection guidance	
	generation of neurons	neurogenesis		neuron migration	regulation of axonogenesis
regulation of neuron projection development		regulation of plasma membrane bounded cell projection organization	cell projection organization	synapse assembly	
regulation of cell projection organization	plasma membrane bounded cell projection organization	synapse organization	positive regulation of cell projection organization	regulation of extent of cell growth	
			negative regulation of cell projection organization	developmental growth involved in morphogenesis
