

cell projection organization	plasma membrane bounded cell projection organization		positive regulation of axonogenesis	regulation of cell shape		cell morphogenesis		
synapse assembly	positive regulation of cell projection organization		axon development	plasma membrane bounded cell projection morphogenesis		regulation of cell morphogenesis		
	synapse organization		cellular component organization or biogenesis	regulation of cell shape				
synapse organization	axonogenesis			cell projection morphogenesis		neuron projection morphogenesis		
	cellular component organization		regulation of neuron projection development		neuron projection guidance	cell morphogenesis involved in neuron differentiation	axon guidance	
regulation of synapse assembly	regulation of cell projection organization		regulation of plasma membrane bounded cell projection organization					
neuron development	neuron differentiation	neuron development		generation of neurons	neurogenesis	semaphorin-plexin signaling pathway		positive regulation of growth
